

# MILE-HI SQUARES

— presents —

## + PLUS + CLASS/WORKSHOP

~ *Every Monday* ~  
6:00pm-7:00pm

This is optional for dancers who have completed all the Mainstream program calls (a specific level in square dancing) and want to learn the next level, the Plus program. The "plus calls" in square dancing are the instructions given by the caller to guide the dancers through the dance moves just like the other levels of square dancing.
